

Tiered Pharmacy Network
California Level A Pharmacy Directory

Current as of January 1, 2019

Introduction

The Blue Shield of California Tiered Pharmacy Network Directory is a listing of the pharmacies that are participating as Level A pharmacies for Rx Spectrum, Small Business Tandem PPO, and Small Business Trio HMO Off-Exchange plans.

Level A network pharmacies offer preferred cost-sharing as well as convenience. When you fill your prescriptions at a Level A pharmacy, you will pay a lower copayment or coinsurance than at a Level B pharmacy.

Level B network pharmacies include all other pharmacies within Blue Shield's pharmacy network. A higher standard cost-share applies for prescriptions filled at a Level B pharmacy. Level B pharmacies are not listed in this directory.

You can choose to have prescriptions filled at Level B pharmacies, although switching to a Level A pharmacy will allow you to take advantage of lower out-of-pocket costs.

You have the same selection of covered drugs at both Level A and Level B pharmacies. Most prescriptions can be transferred to a Level A pharmacy. You can simply contact the Level A pharmacy of your choice and the pharmacy staff will assist in getting the information they need to complete the transfer for you.

Please refer to your plan's Summary of Benefits in your *Evidence of Coverage* for more details about specific copayment or coinsurance amounts.

How to read the directory

Level A pharmacies are listed in this directory in alphabetical order by county, then by city, followed by pharmacy name. The directory includes the pharmacy name, street address, and telephone number.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This directory is current as of the date listed on the front cover.

If you are prescribed a maintenance or specialty drug, our Blue Shield network mail service and specialty pharmacies are listed below for your reference.
